

## Reflection Questions

What do you think it would have felt like to be an Old Testament Priest standing between the people and God?

Why do you think God set it up this way?

Which of the three priestly duties would you have been most comfortable leading? Why?

Why were these three duties important for the people?

Read Hebrews 4:14-5:10 and 6:19-20 and respond to these questions:

- How does this clarify Jesus as the greater priest?
- What priestly duties does this clarify in a new way from the Old Testament?
- How does this change the nature of how you can approach God?
- What tangible implication does this have on your life in this season of advent?
