

Reflection Questions:

When was your last great victory?

In the moment that you needed victory, what giant were you facing?

Do you typically have a fight or a flight response in the face of a giant problem? Why?

How is facing your giant problem connected to having a great victory?

Has God ever used what you “have in your hand” to help you find victory in a season of life?

If a giant showed up in this season or the next season of your life, what would be some of the things that God has put in your hand to find victory?

How does David’s confidence in God’s strength inform this moment of his life?

Do you have a similar confidence in God’s strength? Why or why not?
