

Dear Big Sky Christian Fellowship Church
Family,

Our weekly meetings are a source of joy, community, sharing, and support. We treasure the time we spend together singing, praying, and hearing from the Word of God. The health and safety of each family member is a top priority to our Elder Board and in light of the recent events surrounding COVID-19, or Coronavirus, we have made the decision to postpone gathering together at the Big Sky Chapel Sunday, March 22, 2020, and Sunday, March 29, 2020. Please note, our Basecamp space will also be closed to gatherings through at least March 29th.

We will pre-record each sermon and music set and make them accessible on our website, www.bigskychristianfellowship.com, and our Facebook page. If you have any prayer requests or praises, please e-mail them to our BSCF Prayer Team leader, Michelle Donaldson at mdonaldson@3rivers.net. These will also be available online for our general church body to lift up in prayer.

We appreciate your flexibility and understanding during this unprecedented time. Ongoing communication is a priority and we will do our best to provide you with necessary information as it becomes available. In addition, please remember this "quarantine" is a moving target. We are committed to no meetings for two weeks, but some areas have recommended longer quarantine/social distancing periods. We are going to reassess the situation in two weeks and plan accordingly. Stay well and be safe.

In Christ,

Taylor Kissell

BSCF Elder Board Chair
